Subject: Meeting with EPA HQs

We will be meeting with EPA HQs on Tuesday (01/11/11) to discuss decision document (RODs, ROD Amendments, ESDs). Please update your Critical Path Schedules so that we can discuss your sites and provide a copy to HQs so that they will know when they will be receiving documents for their review. We will also discuss issues with your sites and see where they can help up or provide recommendations. Thanks CAS
